

# THE ZOMBIE

155,=

YES! THIS IS THE ONE  
WITH FIRE ON IT!

Legend has it that Donn Beach originally concocted the Zombie in 1934 to help a hungover customer get through a business meeting. The customer returned several days later to complain that he had been turned into a zombie for his entire trip. Its delicious taste conceals its extremely high alcoholic content!

Donn kept the recipe a secret, and we do too.
